

**3M Hearing Solutions** 

## Get hearing protection right on site and in sight.

## 3M<sup>™</sup> One Touch<sup>™</sup> Pro Earplug Dispenser

Conveniently provide hearing protection where employees need it. The 3M<sup>™</sup> One Touch<sup>™</sup> Pro Earplug Dispenser dispenses one earplug at a time with a simple twist. No more expense and waste of individually wrapped plugs. Made from ABS plastic with a powder-coated steel-back plate, it's designed for challenging environments indoors and outdoors.

- Accurately dispenses one earplug at a time
- Dispenses earplug directly into hand
- Durable ABS plastic for tough environments
- ► Free-standing or wall-mounted
- Shields earplugs from wind and rain
- Mounting holes designed to fit a variety of competitive dispensers

## 3M<sup>™</sup> One Touch<sup>™</sup> Pro **Earplug Dispenser**

3M ID

\*Research suggests that many users will receive less noise reduction than indicated by the NRR due to factors including variation in earplug fit, earplug fitting skill and motivation of the user. 3M recommends fit testing of hearing protectors. If the NRR is used to estimate typical workplace protection, 3M recommends that the NRR be reduced by 50% or in accordance with applicable regulations.
